Orkney is home to some of the oldest and best preserved archaeological sites in the world. It is a safe and beautiful haven for wildlife with outstanding coastal scenery that has been admired by many sailors before you. The summer season is busy with festivals and sailing regattas to keep you entertained and more popular than ever is our affordable secure winter berthing. Cruising the Orkney islands is so easy with the excellent berthing facilities available at our 3 marinas in Kirkwall, Stromness and Westray as well as the many superb anchorages and small harbours to visit if you wish to explore further.

WICK (from the old Norse "VIK" – a bay) lies in a strategic position on the north east tip of the mainland, and is ideally placed as a destination or stop-over on your Scottish adventure. Our new marina opened in 2009 and has already proved an attraction for visiting sailors, being only a five minute stroll from the town centre with plenty of shopping and leisure opportunities and renowned Caithness hospitality. Local visitor attractions such as the award winning Wick Heritage Centre, and Pulteney Distillery, producing our finest single malt whisky, are all close by. Wick Airport is just a mile from the marina.
